Hinaess battery how much

Has anyone already tried these Batteries? I know they are very new on the market and there is not much information out there about those batteries yet, so I would like to hear your opinion,

56.5V 100A 105A / 15s, 120A / 0.5s Up to 32 units parallelable w/o extra device needed, slave battery drops offline or come back alive does not affect system running IP20 481*452.6*165mm 50Kg

The HINAESS Hi-5 Battery is a high-performance energy storage solution designed for reliability and efficiency. With a charge voltage of 56.5V and 100A max

PowerGem Max Lithium Battery (LFP) by Hinaess with a capacity of 16 kWh (314Ah at 51.2V) and a lifespan of 8000 cycles, ideal for solar energy applications, both for photovoltaic self-consumption

The HinaESS PowerGem Plus 14.3kWh is an ideal solution for homeowners looking to enhance their energy independence, reduce electricity costs, and support a sustainable lifestyle. With its high

Introducing the Hina ESS 5.12kWh Lithium Battery Hi-5 51.2V 100Ah (HinaESS-Hi5) Experience unrivaled performance and reliability with the Hina ESS

The HINAESS PowerGem Plus Battery is a state-of-the-art energy storage solution engineered for exceptional performance and durability. Featuring a charge

Hi-5 Lithium-Ion Battery (LFP) from the manufacturer HinaESS with a capacity of 5.12kWh (100Ah at 51.2V) and 6000 useful life cycles, ideal for solar energy applications, both for photovoltaic self

Carries battery management system with better performance, possesses protection function like over-discharge, over-charge, over-current, abnormal temperature. Self-management on charging and

HinaESS Lithium batteries built for residential and commercial energy storage. High performance, safe LFP chemistry, supported locally by Solar Shop.

Wichtig: In diesem Angebot wird davon ausgegangen, dass Sie gemäß § 12 Abs. 3 UStG berechtigt sind, das angebotene Produkt zu einem reduzierten MwSt.

10 year warranty Ultra safe LFP material Short circuit protection Flexible remote upgrade Wide range inverter compatibility Parallel up to 32 modules 1C rate continuous charge/discharge Multi protection

base on your the photo, you bought your D7 from Cathay? How much? does the box comes with a lens? any

free items (.e.g CF, extra battery)? -Torvik-

HinaESS PowerStack high-voltage battery, scalable from 10 to 40kWh (2~8 modules in series per stack, up to 20 in parallel). LFP technology for maximum safety and durability (6000 cycles, 10-year warranty).

Lithium Battery (LFP) Hi-5 manufacturer HinaESS of 5,12kWh capacity (100Ah to 51,2V) and 6000 life cycles useful, ideal for solar energy applications, both for the photovoltaic self-consumption with

HINAESS: The most reliable and efficient battery for any solar solution. Trusted in South Africa. Get yours now from Oliross, your partner in renewable energy.

This advanced battery system provides efficient power backup and optimizes energy usage for residential applications. High Capacity: Offers a substantial 14.3kWh storage capacity, ensuring

The module delivers 51.2 V of rated voltage and 100 Ah of capacity, providing 5.12 kWh of useful energy for the inverter. The battery is equipped with a smart BMS

HinaESS provides an outstanding range of lithium battery solutions designed for both residential and commercial applications. It is a high-quality energy storage

HinaESS PowerStack high-voltage battery with a capacity of 10 to 40kWh and scalable up to 20 stacks in parallel. Latest technology in LFP cells and a 10-year warranty.

56.5V 100A 105A / 15s, 120A / 0.5s Up to 32 units parallelable w/o extra device needed, slave battery drops offline or come back alive does not affect system running IP20 640*428*166mm 58Kg

One of the best batteries in its price category, the HinaESS 5.12kWh Lithium-ion Battery is expandable, and has 6000 cycles at 90% DOD with a 1C rating.

HinaESS, The Most Advanced Battery Solution Provider HinaESS is a cutting-edge battery technology company that is leading the way in energy storage solutions. Our advanced batteries are designed to

HinaEss: HI-5 5.12kWh Lithium Battery is a highly efficient battery for residential, commercial, and industrial use. The Hina Ess battery features a 10-year
