Professional wind power turbine manufacturer in China since 2009, with more than 10 years of manufacturing and exporting experience, welcome to visit our factory!

1kW household wind turbine suitable for farms or rooftops, starting at low wind speeds, easy to install Inquire
L-type 2kW manufacturer's specialized horizontal axis for wind energy motors with gentle

About us Yixing Naier Wind Power Technology Co., Ltd. is locating in West Bank of Taihu Lake Science and
Technology Innovation Park, Yixin city, Jiangsu Province, China. Naier is a scientific and

Company Introduction Wuxi Naier Wind Power Technology Development Co.,Ltd., located in wuxi, an
economically prosperous and technologically advanced area, with a convenient transportation

FAQ What kind of system is the wind turbine normally used? Wind turbines are usually used in off-grid or
on-grid systems. How many blades can we make for horizontal axis wind turbines? We usually have

We have our R& D team, advanced manufacturing and testing facilities and have formed an integrated system
of design, manufacturing, marketing, installation, debugging and after-sales. Our products

High-performance, Efficient 100kW Wind Turbine Generators For Sale The 100kw Wind Turbine Permanent
Magnet Generators offered by Naier are made by highly experienced professionals

We are leading supplier of Wind Turbine, Permanent Magnet Generator, enjoy best price and best buy at
Jiangsu Naier Wind Power Technology Development Co., Ltd.

Profile: Manufacturer of Small & Medium-Size, Horizontal & Vertical Axis Wind Turbine Systems,
Integrated Wind/Solar Hybrid Systems

Jiangsu Naier Wind Power Technology Development Co., Ltd., Experts in Manufacturing and Exporting
Wind Turbine, Permanent Magnet Generator and 0 more Products.

Yixing Naier Wind Power Technology Co., Ltd has been standardizing the products like portable solar wind
power generator manufacturing process. Our standardized production process management

The wind turbines are CE, ISO certified and several patents honored. Sole-owned property right and extensive

Buy naier wind power

cooperation with international market speaks for the

Feature highlights: The Naier Real Power NE-400M is a high-efficiency wind turbine generator with a rated power of 400W and maximum power of 410W. It operates at 12V, 24V, or 48V, starts at a wind

Naier's product line, which includes horizontal axis small wind power turbines, vertical axis small wind turbines, and permanent magnetic generators, offers numerous advantages. Firstly, the horizontal

These years witnessed the success of Yixing Naier Wind Power Technology Co., Ltd in providing on-time services for all products. Among these services, customization for vertical wind power turbine is

Yixing Naier Wind Power Technology Co., Ltd. is a high-tech enterprise integrating R& D, manufacturing and sales of wind turbines. The parent company is Jiangsu Naier Wind Power Technology

At Yixing Naier Wind Power Technology Co., Ltd, the products like wind turbine power generation are high-quality, so is the customer service. We have a well-trained service team to offer 24/7 online

Manufacturer of Small- and Medium-sized Wind Turbine SystemsJiangsu Naier Wind Power Technology Development Co. Ltd is a professional manufacturer of small- and medium-sized wind turbine

Yixing Naier Wind Power Technology Co., Ltd. is a wind turbines supplier located on the West Bank of Taihu Lake Science and Technology Innovation Park, Yixin

Through Yixing Naier Wind Power Technology Co., Ltd, our team will provide insight on trend intelligence while providing top-of-the-line R & D, quality assurance, and manufacturing capabilities

Buy low price 300w 12v 24v Wind Turbine Generator Alternative Energy Generator by Jiangsu Naier Wind Power Technology Development Co., Ltd., a leading supplier from China. 133 similar products
