

How much isolar smw 8kw

ISolar SMW 8KW Off-Grid Inverter • Customizable status LED bar with RGB lights • Built-in wifi for mobile monitoring (Android/iOS Apps are available) • Supports USB On-the-Go function • Reserved

Deliver 8kW of continuous power, capable of powering heavy-duty appliances like air conditioners, electric ovens, and industrial equipment. This output exceeds standard 5kW inverters by 60%,

Model Number: ISolar-SMW-8KW Input Voltage: 220/230/240V Output Voltage: 48VDC Output Current: 30-34A Output Frequency: 50/60HZ Output Type: Single Size: 148*433*554 Type: DC/AC Inverters

For optimum operation of this inverter/charger, please follow required spec to select appropriate cable size. It's very important to correctly operate this inverter/charger. Be very cautious when working with
