

Neata lithium battery

Neata Battery Manufacture Co.,LTD. Standard AGM Battery Voltage: 2V, 4V, 6V, 12V, 18V, 24V, 38V Capacity: 0.3AH to 3000AH Designed floating service life: 10~15 years ...

NEATA welcomes qualified applicants to contact us and we will contact you within 2 working days. We will take the most rigorous attitude to choose more distributors to cover the lead acid battery and

Product introduction Motorcycle lithium battery products are mainly used in automobiles, motorcycles, generator starters and electric bicycles, electric motorcycles, electric lift aerial work platforms and

Neata Lithium Battery 12V 50Ah offers 600W Lifepo4 capacity for RVs, boats, and solar energy. Durable, efficient, and reliable for various applications. | Alibaba

12V Lithium battery replacement SLA battery Characteristics o Build-in Lithium Iron Battery, 70% lighter than lead-acid battery o Longer life (2000 charge cycles vs.

Founded in 2005, NEATA Group has nearly 500 employees and covers an area of more than 110,000 square meters. We are a high-tech enterprise focusing on the R& D, manufacturing and sales of lead

Neata 24v 25.6v 100ah Battery Lifepo4 Lithium Ion Battery Pack for Solar Household Energy Storage Backup Power No reviews yet Complies with EU standards Neata Battery Manufacture Co., Ltd.

Product Description Founded in 2005, NEATA Group has nearly 800 employees and covers an area of more than 110,000 square meters. We are a high-tech enterprise focusing on the R& D,

Lead-acid Battery Power Supply Energy Storage 2005 Neata Group founded in 2005 110,000square meters Industrial locations which cover 800 We

Lithium-ion battery cell prices by chemistry Average price of battery cells per kilowatt-hour in US dollars, not adjusted for inflation. The data includes

Other attributes Max Load Quantity (cells) 16 Cycle Life 3000 cycles Model Number N-LFP12150 Operating Temperature (?) -20-55 Cathode Materials LiFePO4 Brand Name NEATA Battery Type

Products ... Lead-acid Battery Power Supply Energy Storage 2005 Neata Group founded in 2005 110,000square meters Industrial locations which cover 800 We have more than 800

Neata Battery Manufacture Co.,LTD. 48V Lithium Battery o Standard 19-inch design for high compatibilityo

Neata lithium battery

High temperature performance, below 60°C without air-conditioning cooling, e

Product introduction Covering the application of electric power lithium battery, can be customized according to customer needs, It has high charging efficiency, high energy consumption utilization

Lithium Battery Product introduction This is a high-tech product independently developed by our company for Telecom application. Based on the 19inch

Neata LiFePO₄ Batteries 8000 Cycles 5kWh 10kWh 51.2 V 48V 300Ah 100Ah 200Ah Lithium Ion Battery Solar Energy Storage System No reviews yet Neata Battery Manufacture Co., Ltd. 13 yrs CN

Our main products are Standard VRLA AGM Battery, Gel Battery, deep cycle Battery, Front Terminal Battery, Motorcycle battery, OPzV, and LiFePO₄ Lithium Battery. Neata group follows up the rule of

Neata Battery Manufacture Co.,LTD. 48V Lithium Battery o Standard 19-inch design for high compatibilityo High temperature performance, below 60°C without air

NEATA Lithium iron phosphate battery module which designed for storage and power supply system application. This battery module integrated with intelligent

48V Lithium Battery o Standard 19-inch design for high compatibility o High temperature performance, below 60°C without air-conditioning cooling, energy

Neata Battery Manufacture Co., Ltd, Zhongshan. 529 likes. We are the manufacturer of the lead acid battery, solar battery, AGM battery, Gel

The Electric Motorcycle Lithium Battery Market was valued at 14.96 billion in 2025 and is projected to grow at a CAGR of 11.65% from 2026 to 2033, reaching an estimated 36.13 billion by

Neata Battery Storage System Rack Mounted Series - rack mounted LiFePO₄ battery pack for solar systems. Available in various versions - 51.2V/50Ah,
