

Sun box solar for sale

The sunbox (and its satellite on the roof - the solar panels) are acting as a "solar buffer" between your devices and the wall. It's not wired into the meter, doesn't require a permit, etc.

With the SunBox 5.0 Integrated System with the option of 5.1kWh Lithium Series batteries, it will supply protections and everything necessary for the operation of the system in a design rack.

Here's a nice gently-used SunBox SunRay Full Spectrum Light Therapy Box in good working condition. The light is used to treat those with Seasonal Affective Disorder (SAD) or just use
