Our STAMFORD and AvK alternators, ranging from 7.5

New five-year capacity framework between AVK and Rolls-Royce boosts data centre supply chain certainty and power technology integration AVK

We are STAMFORD | AvK: your global leader in power generation. Explore reliable alternators, superior engineering, and worldwide support for every application.

AVK is the largest and fastest-growing supplier of innovative power solutions for data centres and leading organisations in the UK and Europe. We specialise in all aspects of design,

Rolls-Royce and British supplier of power solutions for data centres AVK have signed a long-term agreement in London. The new framework

Under CEO Ben Pritchard, AVK has evolved from family firm to a leader in innovative, sustainable power solutions, shaping the future of data and energy Ben Pritchard, CEO of AVK,

Genuine STAMFORD AvK AVR Automatic Voltage Regulators (AVRs) are the heart of your alternator's performance. They ensure consistent voltage output,

Its global manufacturing footprint in Europe and China provides a versatile supply chain, supporting accelerated project schedules and seamless integration across diverse industries.

The necessity for prime power can originate from a number of different critical applications, whether this is mining, grid code, hospitals or more and each one requires the same

AVK|SEG (UK) has been involved in power systems design and manufacture since 1989 and is represented worldwide. The group offers a comprehensive range of services related to power system

AVK are the largest and fastest-growing supplier of innovative power solutions for data centres and the financial sector in the UK and Europe,

We are the largest and fastest-growing supplier of innovative power solutions for data centres, AI infrastructure and leading organisations across the UK and Europe.

AVK is the largest and fastest-growing supplier of innovative power solutions for data centres and leading organisations in the UK and Europe. With a unique technology-agnostic approach, the

Supplier of avk power

We support brands and manufacturers of generators and their accessories from all over the world. AvK automatic voltage regulators brought to you by General Power are supreme products to get your

AVK is now the largest supplier of emergency power solutions to data centers and the financial sector in the UK, and since signing the exclusive agreement with the Rolls-Royce business
