

Talon energy

Talen Energy is a leading independent power producer and infrastructure company focused on safe, reliable power generation while delivering the most value per megawatt of energy

Talen Energy Ltd ("Talon" or "Company") is pleased to provide its Quarterly Activity Report for the quarter ending 31 March 2022.

Talen Energy was founded in 2015. The company was formed when the competitive power generation business of PPL Corporation was spun off and immediately combined with competitive generation businesses owned by private equity firm Riverstone Holdings. Following these transactions, PPL shareholders owned 65% of Talen's common stock and affiliates of Riverstone owned 35%, with shares trading on the NYSE under the symbol "TLN".
